

TEAM REGISTRATION

IT'S EASY!

Run with your friends or family and save \$5 by creating a team of 4 or more! Read the info below to learn how you can take advantage of this!

TO CREATE A TEAM:

1. As you register for the event, RunSignUp will ask you to select your desired wave time. To the right of this, you'll see a button that says "Social Team". Click this!
2. From there, you can select an existing team to join or create a new one.
3. Passwords are optional. If you create one, be sure to share it with the rest of your teammates so they can join!

TEAM REGISTRATION TIPS:

You do NOT need to register all at the same time to receive the \$5 discount.

You DO have to sign up or create a team during the registration process to receive \$5 off. We cannot add the discount once you've already paid.

Get creative with your team name!
This is your time to shine!
